

By Cheryl Healey Chair@SeaforthPAC.net

It's starting to feel like summer with the fantastic weather we have been experiencing. Many exciting year-end activities have been taking place including PAC sponsored Spirit Day on April 22nd and Family Bingo Night May 6th. Both events were a big success and relied heavily on a team effort. I've included a few photos capturing Spirit Day highlights. Thank you to our many sponsors, teachers, alumni and volunteers who supported this uniquely Seaforth event.

Thank you to the many families who donated silent auction items for Family Bingo night and volunteered to help with activities. Congratulations to Div.3 Mme. Papazian's class for bringing in the highest bid for our class basket donations and winning popcorn for the entire classroom. Well done!

SEAFORTH STAMPEDE

Students are now gearing up for Seaforth's Western Themed Sports Day on May 20th. If you haven't

had the opportunity to attend opening ceremonies for a Seaforth Sports Day, I would highly recommend stopping by for the amazing performance. Family and friends are welcome to attend and cheer on all our students as their team houses compete for the coveted first place ribbon.

With the help of our amazing volunteer's PAC is able to offer a concession for those looking for a hot beverage to start the day. Featured menu items will include sushi, hot dogs, popcorn and cupcakes along with an assortment of snack and beverages.

BC's
School
Fruit and
Vegetable
Nutritional
Program

has provided Seaforth students with free fruit and vegetables twice a month throughout the year and will make their last delivery June 1st with cherry tomatoes.

We are currently looking for a volunteer with a Food Safe Certificate to help continue this valuable program into the 2016/2017 school year. Please contact Cheryl Healey Chair@SeaforthPAC.net for further information.

2016 Seaforth PAC Scholarship

The Seaforth PAC is proud to present this year's scholarship to Burnaby Mountain students Kevin Moon and Philip He. All applicants were short listed by their secondary school with our Seaforth Scholarship Committee receiving the top three from each school. It was a very difficult decision as we have very talented Seaforth Alumni. The scholarship was open to all graduating Seaforth Alumni with the top two applicants receiving the award.

Kevin Moon has been an active member within our community dedicating countless hours in various leadership positions including, Royal Canadian Air Cadets, Student Council and as a Youth Facilitator for the Red Cross advocating anti-bullying. *"I have come to believe in the sharing of skills and defences. With every opportunity I look to achieve growth as well as inspire those around me."* -Kevin Moon

Philip He has overcome adversity and excelled as an individual and as a leader volunteering his time as a Special Olympics coach. Philip's achievement in the sciences has inspired further interest in the STEM field from younger students. *"As a humble, self-reflecting individual who strives to inspire others"* Philip He exemplifies the qualities of a Seaforth Alumni Scholar.

Congratulations to both our 2016 Seaforth PAC Scholarship recipients, Kevin Moon and Philip He.

Our next PAC General Meeting will be Wednesday May 18th 7-8pm in the library. Childcare and light refreshments will be provided. We will be holding our first call for nominations of 2016/2017 PAC Executive Members. Positions available include: **Chairperson, Vice Chairperson, Secretary, Treasurer #1 and Treasurer #2, Canadian Parents for French Representative, District Parent Advisory Council Representative and Members at Large.**

We will be discussing plans for the 2016/2017 PAC budget as we get closer to our AGM in June.

I look forward to seeing you there.
